The dramatic contemporary lines of the Inverness by Snell Custom Homes, a division of Snell Construction, Inc., create a unique living experience where comfort, privacy and convenience are priorities. Meticulous craftsmanship and a myriad of architectural details add to the unparalleled open and flowing look and feel of the entire home.

Disappearing sliding glass doors and extensive use of tinted glass bring the outdoors in for gracious Florida style living and entertaining.

The 4,279 square foot custom home features all the latest amenities,

including a state-of-the-art kitchen, leisure room with fireplace, wet bar and entertainment center, and a spectacular Master Suite. The climate and lighting systems are computer controlled for ease, convenience, comfort and security, even when you are away.

Whether it is just relaxing at the pool and spa, listening to the waterfall, or reading a good book in your Master Retreat, this home will cater to your needs and desires!

- Three Bedroom Suites, 4 Baths, Study/Library Formal Dining Room, Leisure Room, Master Retreat, 3 Car Garage.

- Master Suite includes, Morning Kitchen, Master Retreat with 3-sided fireplace and gabled fixed glass, and a dramatic Master Bath with radiused tinted glass and Privacy Garden views.

- Spacious Lanai with Gated Bath and Outdoor Kitchen open to a screen enclosed custom free-form pool and spa area.
