

# Charleston III

2,332 square feet

3 BR / 2.5 Baths / Den / 2-Car Garage

We've added more than a Roman numeral to our popular Charleston II home design. Our new Charleston III features a larger kitchen with a generous island and loads of cabinets. New in this floor plan is a convenient pool bath accessible from the lanai and the living room. With the addition of two feet in depth, there's room for a walk-in closet in the third bedroom.

*Pool Package "B" (Optional)*
